Hi Liz,

I have this location and I do not think they are actually closing the HE tickets since we cannot perform a full clean up so I can continue to add this to the CARE list I will put it on for next week.

They are all the same now since all we can do during COVID-19 is spot cleanings. We always start in the ABH zone so right around the council office but they should be in this area by 9 or 9:30am. This will be the CD 10 CARE team.
